ePrescribing

ePrescribing is a federally mandated initiative that requires all physicians prescribe in this manner by 2011. ePrescribing software sends prescriptions over the internet to your pharmacy in a safe, secure way, through the same technology used by credit card companies. This helps protect the privacy of your personal information. ePrescribing software also lets your doctor see important information - like drug interactions and your prescription history.

The benefit to you:

- >Less confusion over handwritten prescriptions or unclear phone calls
- >Reduced possibility of medical errors
- >Less chance of adverse drug reactions
- >Fewer trips to drop off at the pharmacy
- >A safer, faster, easier way to get your prescription filled
- >

Patient Consent: I agree that AVALA may request and use my prescription medication history from other healthcare providers or third-party pharmacy benefit payors for treatment purposes.

Covered Benefits: As a courtesy, we will verify and file your claim with your insurance carrier, however we cannot guarantee payment. You are responsible for payment of any deductible, co-payment/coinsurance, and any non-covered services as determined by your contract with your insurance carrier. Many insurance companies have additional stipulations that may affect your coverage. If your insurance company denies any part of your claim or if you or your physician elect to continue therapy past your allowed/approved visits, payment will be expected from you. Verification is only an explanation of benefits based upon information that we received from your insurance carrier. It is not a guarantee of payment. Please contact your insurance carrier directly to confirm your individual benefits for Physical Therapy services.

Co-Payments: Co-payments and Co-insurance amounts must be paid at each visit according to your insurance contract. Please plan accordingly. We accept cash, checks and credit cards (Visa or Master Card).

Attendance Policy: Your physician allocates a specific amount of time for your appointment to meet the needs of your rehabilitation program. We understand that there are times when you must miss an appointment, but request that you give us 24-hour notice. Please schedule a make-up appointment as soon as possible to help meet your rehabilitation goals. So that we may provide attentive care to each of our patients, please be aware that if you arrive more than 15 minutes later than your scheduled time, you may be asked to reschedule your appointment.

I have read the above statements. It is my understanding that I am financially responsible to **AVALA** for the services provided to me or my dependent. I authorize my insurer to pay any benefits directly to **AVALA**. I agree to pay the full amount of all charges incurred by the above-named patient that are not covered by my insurance provider.

We understand that there are times when you must miss an appointment due to emergencies or obligations for work or family. However, when you do not call to cancel an appointment, you may be preventing another patient from getting much needed treatment. When an appointment is not cancelled at least 24 hours in advance you will be charged a twenty-five-dollar (\$25) fee; this will not be covered by your insurance company.

PAIN MANAGEMENT AGREEMENT

The purpose of this Agreement is to prevent misunderstandings about certain medicines you will be taking for pain management. This is to help both you and your doctor to comply with the law regarding controlled pharmaceuticals.

I understand that this agreement is essential to the trust and confidence necessary in a doctor/patient relationship and that my doctor undertakes to treat me based on this Agreement.

I understand that if I **break this Agreement, my doctor will stop prescribing these pain-control medicines.**

In this case, my doctor will taper off the medicine over a period of several days, as necessary, to avoid withdrawal symptoms. Also, a drug-dependence treatment program may be recommended.

I will communicate fully with my doctor about the character and intensity of my pain, the effect of the pain on my daily life, and how well the medicine is helping to relieve the pain.

I will not use any illegal controlled substances, including marijuana, cocaine, etc.

I will not share, sell or trade my medication with anyone.

I will not attempt to obtain any controlled medicines, including opioid pain medicines, controlled stimulants, or anti-anxiety medicines from any other doctor.

I will safeguard my pain medicine from loss or theft. Lost or stolen medicines will not be replaced.

I agree that refills of my prescriptions for pain medicine will be made only at the time of an office visit or during regular office hours. No refills will be available during evenings or on weekends.

I agree to use the below pharmacy for filling prescriptions for all pain medications.

Pharmacy Name: _____

Address: _____

Phone Number: _____

I authorize the doctor and my pharmacy to cooperate fully with any city, state or federal law enforcement agency, including the state's Board of Pharmacy, in the investigation of any possible misuse, sale or any other diversion of my pain medication. I authorize my doctor to provide a copy of this agreement to my pharmacy. I agree to waive any applicable privilege or right of privacy or confidentiality with respect to these authorizations.

I agree that I will submit to a blood or urine test if required by my doctor to determine my compliance with the program of pain control medicine.

I agree that I will use my medicine at a rate no greater than the prescribed rate and that use of my medicine at a greater rate will result in my being without medication for a period of time.

I will bring all unused pain medication to every office visit.

I agree to follow these guidelines that have been fully explained to me. All of my questions and concerns regarding treatment have been adequately answered. A copy of this documentation has been given to me.
